

Troop 431 Mobilization Plan

1. SM calls SPL + all ASMs without boys in the Troop
2. SPL calls ASPLs
3. ASPLs call PLs
4. PLs
 1. Call each scout in their Patrol
 2. Report status back to SPL after completing calls

Contingencies

If the SPL cannot contact an ASPL, he contacts their PLs.

If a PL cannot be contacted, contact the APL, who then contacts the patrol and reports to the SPL. If both PL and APL are unavailable the SPL/ASPL contacts the whole patrol and reports back to the SPL.

If a "leaf" Scout is not available, just leave a message

At the end, each PL reports back to the SPL with who was contacted and with whom a message was left.
